WaHo is affiliated with the student sports organization SWU Thymos (from the University of Wageningen), which makes student sports possible. WaHo receives a subsidy, so that WaHo can keep its contribution low. For this, WaHo needs to share personal data with SWU Thymos. This only concerns the last name and WBA number. The data associated with this are already in the possession of SWU Thymos via Wageningen University.

We will not provide the information provided by you to other parties, unless this is legally required and permitted. An example of this is that the police requests (personal) data from us in the context of an investigation. In such a case, we must cooperate and are therefore obliged to provide this information. We can also share personal data with third parties if you give us written permission for this.

Retention period

WaHo does not store personal data for longer than necessary for the purpose for which it was provided or is required by law. After termination of your membership at WaHo, your data will be stored for a maximum of 7 years. After these 7 years, only the secondary email address will be stored, if this person gave their permission. This email address will be stored for a possible reunion in the future to make sure old members can be contacted.

Security

We have taken appropriate technical and organizational measures to protect your personal data against unlawful processing. For example, we have taken the following measures:

- All persons who, on behalf of WaHo, access your data are bound by a confidentiality statement;
- We use a username and password policy on all our systems.

Rights regarding your data

You have the right to inspect, rectify or delete the personal data that we hold about you. You can also object to the processing of your personal data (or part of it) by us or by one of our processors. You also have the right to have the data provided by you transferred by us to yourself or directly to another party if desired. Members are not able to do this themselves but may request this through sending an email to waho@wur.nl.

Complaints

If you have a complaint about the processing of your personal data, we ask you to contact us about this. You always have the right to submit a complaint to the Dutch Data Protection Authority, which is the privacy supervisory authority. If you have any questions or comments as a result of our privacy statement, please contact us!

Changes in our privacy statement

It is possible that this statement will be changed in the future. We therefore recommend that you continue to consult this privacy policy regularly.
